

## We have your Dream Home!

covered front porch. This package can be built on a crawlspace or basement. The kitchen features a bar top peninsula and a large pantry. The dining room is open to the kitchen and includes a patio door which opens to the rear of the home. Archways separate the living room from the dining room and kitchen. A full bath and utility room are located adjacent to the master bedroom on the main level. A full bath separates the 2nd floor bedrooms which both have views to the front and sides.
