

We have your
Dream Home!

24'x30' Chalet House

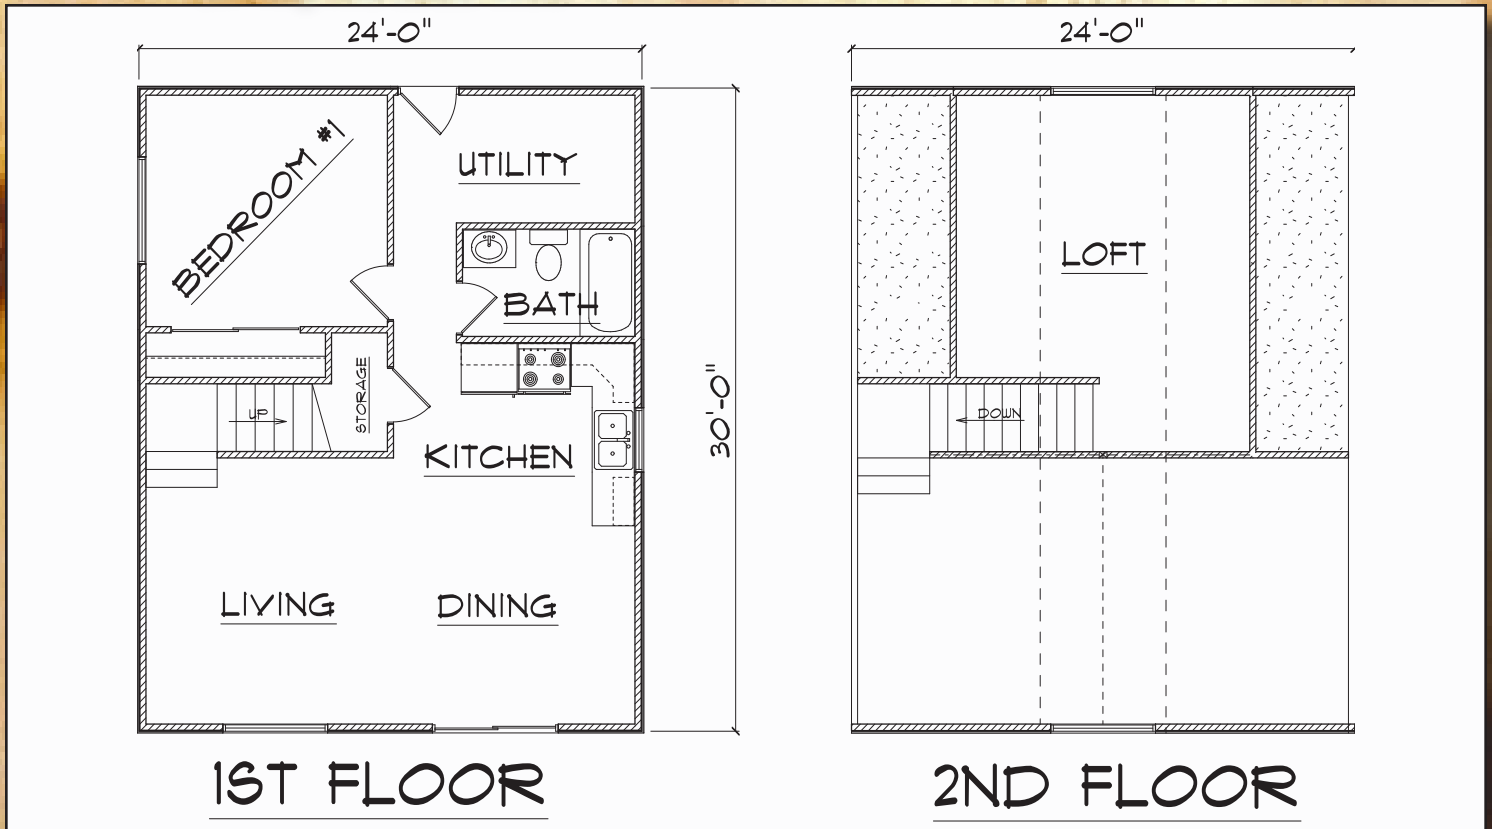

Our 24'x30' Chalet House will make a great getaway cabin, 1st time house, or retirement home. The open staircase and vaulted ceiling expands the living and dining rooms. The first floor's utility, bath, and master bedroom add convenience to this package. A loft allows you plenty of sleeping room for you and your guests. This package can be built on a crawlspace or basement.

Building Foot Print 24'- 0" x 30'- 0"	1st Floor 720 Sq. Ft.	2nd Floor 217 Sq. Ft.	Total 937 Sq. Ft.

24'x30' Chalet House

Bernard Building Center's 24'x30' Chalet house is a complete rough-in package including: wood floor system, 2"x6" exterior & 2"x4" interior walls, OSB wall sheathing, vinyl siding, vinyl windows, entry doors, roof rafters, roof sheathing, shingles, trim, nails, and building plans. This package can be modified to fit your needs. Any and all materials can be changed to the product of your choice. The size of the home can also be changed, the possibilities are endless. Changes may alter the final package price. Custom designs are also available.

When you are done with your rough-in, we have all the finish products necessary to complete your dream home, from insulation, drywall, plumbing, doors, carpeting, kitchen cabinets, paint, and light fixtures. We can save you money on your building project. We deliver anywhere in Michigan for a nominal fee.

****PHOTOS and Plans of this home are for representation only. Actual package may not include variations and customizations that may be depicted in these photos.**

***** Bernard Building Center strives to meet the highest building standards, due to varying soil conditions and local building codes, material lists may not meet the building requirements of your area. Materials package prices do not include labor, concrete, brick, insulation, drywall, paint or stain, electrical, heating, plumbing fixtures, cabinets, any or all materials not itemized on the Bernard Building Center material list. See your project sales representative for actual plan and package details.**
